

US Team Trials Sprint at SUNY Purchase
Friday, May 25, 2018

This event is possible due to the work of Hudson Valley Orienteering and Geof Connor in particular. The Executive Steering Committee of the Senior US Team would like to thank them for their willingness to host this event.

The Venue

The US Team Trials will be held on the SUNY Purchase Campus (41.052867, -73.697022). Detailed directions to the parking area we will be using will be coming soon.

This is a non-sanctioned event and there will only be two sprint courses: Red and Blue. The courses will be designed to have the appropriate winning times for the top F-21+ and M-21+ runners, i.e. 12-15 minutes.

There will be 4 classes:

F-21+: team trialers on Red

Red: non-team trialers on Red

M-21+: team trialers on Blue

Blue: non-team trialers on Blue

Link to the RouteGadget file from the last time this venue was used for the Team Trials Sprint:

Age Restrictions

Unfortunately, due to restrictions of our permit, only those 17 years of age (as of the day of the event) and older may compete. Anyone under 17 who is interested in trying for the US WOC team is encouraged to petition. Please see the WOC selection page on the OUSA website for details on the petitioning process:

<https://orienteeringusa.org/us-teams/senior/trials/2018>

Limit on the number of competitors

We are also restricted as to the total number of competitors allowed. If you try to register, but the class you are registering for is filled please contact the registrar (see below for email and phone).

Officials

Event Director: Geof Connor

Course Setter: Erin Schirm

Course Vetter: Linda Kohn

Results: Valerie Meyer

Registrar: Sandy Fillebrown (sandydvoa@yahoo.com or 215-482-9479)

Schedule

Registration at the event site: 1-4pm

Start window: 2-3pm

Courses close: 4pm

Registration

This event is being run as a US Team fundraiser. Net proceeds will be donated to the US Team to help defray costs of attending WOC. The fee for the sprint course is \$20. We will be using SI-Air epunching and the fee to rent an SI-Air card is \$5. Details on the SI-Air system will be posted and model controls will be available at the event.

To register go here:
